

Think About

- ◆ Your health.
- ◆ How often you have sex.
- ◆ How many sexual partners you have.
- ◆ If you want to have children in the future.
- ◆ If you will need a prescription or if you can buy the method over-the-counter.

GET BIRTH CONTROL, STD/STI TESTS & MORE

The primary purpose of our program is to provide family planning-related services for **BOTH** men and women, to prevent unplanned pregnancies and disease transmission. Covered services are limited to family planning and related services like testing and treatment of sexually transmitted diseases/infections (STDs/STIs).
