Information requested on this application must be provided to obtain a retail food establishment license. Personal information you provide may be used for purposes other than that for which it was originally collected (Wis. Stat. § 15.04(1) (m)). Operating without a license is a violation of Wisconsin Law. If you have been operating without a license, you will be required to pay a surcharge in addition to the license fee. Licenses are not transferable between persons or locations. Licenses expire annually on June 30; unless issued after April 1, which will expire on June 30th of the following year. The license fee is not prorated for partial license years. The Department may inspect premises at any reasonable time. Missing information may delay the issuance of your license. You are not licensed to operate until the department conducts an inspection. The undersigned hereby certifies that this is a true, complete and accurate application for the Retail Food Establishment license under Wis. Stat. § 97.30.

Within **30 days** after receiving a complete application for a license, the department or its agent shall either approve the application and issue a license or deny the application. If the application for a license is denied, the department or its agent shall give the applicant reasons, in writing, for the denial. A license shall not be issued to an operator without prior inspection.
